A vibrant, realistic illustration of a variety of fruits arranged together. At the top center is a whole pineapple with its green crown. To its left are three dark purple plums with green leaves. Below the plums is a sliced kiwi showing its green flesh and black seeds. In the center is a large, juicy slice of watermelon with red flesh, black seeds, and a green rind. To the right of the watermelon is a whole red apple. Further right is a large yellow pear. Next to the pear is a whole orange and a half-sliced orange showing its segments. Below the orange are clusters of purple and green grapes. In the foreground, there is a whole red tomato, a sliced peach showing its pit, a banana with a peeled section, and a single red strawberry. The background is a solid light blue.
